Colorado Photo Savers, LLC

Helping clients scan and organize photos

Colorado Photo Savers (CPS) Package Pricing

Organizing Starter: 1 Hour - $75 or **2 Hour - $125**
- Clients will receive guides for organizing printed photos and organizing digital photos for pre-visit preparation
- During the visit, CPS will help clients create a plan, gather and sort through photos, show/teach clients how to organize photos, suggest safe photo storage options, and help clients establish a routine to maintain an organized photo collection

Scanning Starter: 1 Hour - $75 or **2 Hour - $125**
Scanning Half Day: 4 Hours - $225; Scanning Full Day: 8 Hours - $400
- Clients will receive guides for organizing printed photos for pre-visit/pick-up preparation

Scanning sessions include:
- Set up and use of needed scanning equipment (if scanning is done in client's home)
- Gathering, sorting and organization of items for scanning
- Scanning of items, plus visual review of each photo, cropping to the edge of the image, and rotating images to proper orientations
- Creation of filenames and keywords to easily locate digital photos
- Updating of metadata to ensure correct indexing in photo organization software
- Saving of digitized photos to cloud-based storage as well as a USB or external hard drive

Digital Photo Organizing (DPO) Blocks: 1 Hour ($75), 2 Hour ($125), 4 Hour ($225) or 8 Hour ($400)

Digital Photo Organizing blocks apply to DPO work after a Starter session and include:
- Additional transfers of digital photos from cloud-based services (if needed)
- Building of new core file structure
- Duplicate sweeps and removal of blurry photos (if requested)
- Renaming of photos with dates and keywords
- Upload of organized photos to cloud-based storage

In all sessions, Colorado Photo Savers offers:
- Showing/teaching clients how to organize photos
- Providing assistance in setting up digital backup systems
- Helping clients establish a routine to maintain an organized photo collection
- Sharing resources for creating photo projects and sharing photos

Additional available services:
- *Safe removal of photos from albums*
- *Photo digital restoration*
